5 June 2008

Dear Rachel,

I am pleased to see that your organisation has been granted The Queen's Award for Enterprise: Innovation this year.

The successful exploitation of innovative products and services is crucial to Britain's prosperity and I am delighted, therefore, that your achievement has been recognised. I know that this success has involved a great deal of hard work and team effort. Please convey my warm congratulations to everyone who contributed to this excellent result.

  
IAN PEARSON
